FROM: Gregory J Peters, Comptroller

SUBJECT: Transmittal of the Annual Budget for the Fiscal Year Beginning January 1, 2022 and Ending December 31, 2022

Attached please find the final approved budget for the Village of River Grove's fiscal year beginning January 1, 2022 and ending December 31, 2022. The final hearing and action taken by the Village Board of Trustees occurred on December 16, 2021. The purpose of this memo is to provide you a written summary of the spending plan as prepared with input from the Village's operating departments and discussions with the elected officials while taking into consideration the financial resources that the Village will receive in this upcoming fiscal period.

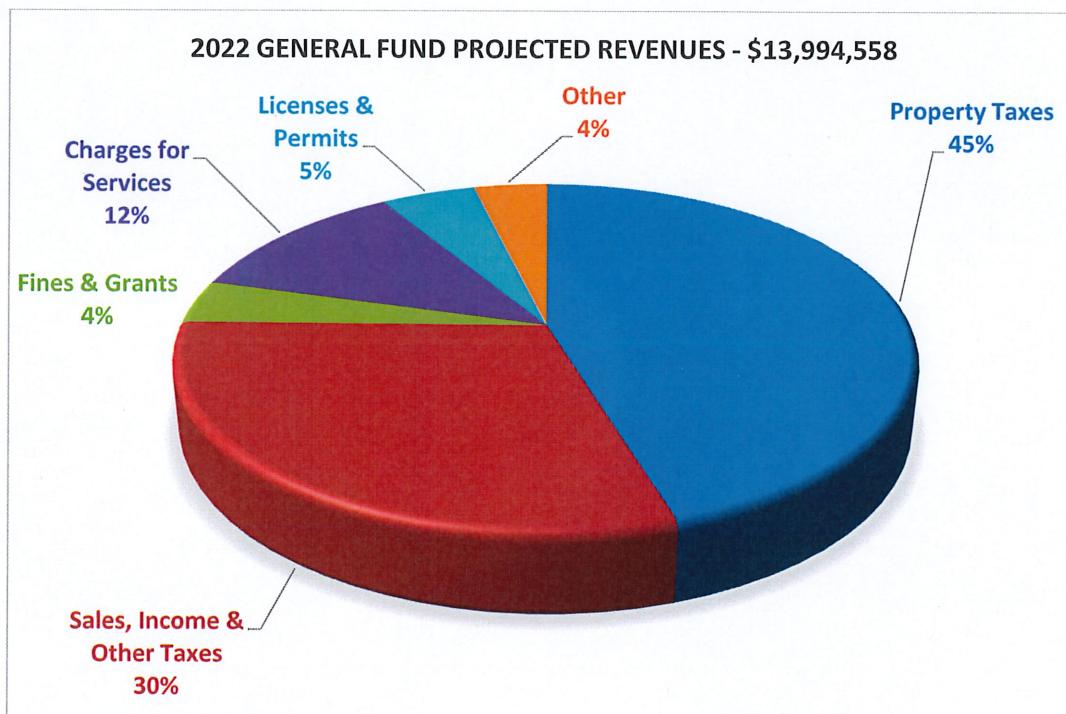

General Observations on the 2022 Fiscal Year

- Discussing 2022 budget priorities cannot begin without first discussing of what the impact of the COVID-19 pandemic had been to Village operations and the world economy in general. Since March of 2020, the Village has grappled with many challenges. With that said, speaking only on a budgetary basis, the Village weathered the "storm" through 2021 pretty well. Both the elected officials and staff rose to the occasion in 2020 with only essential spending allowed for the rest of the 2020 fiscal year. The combination of expenditure reductions, financial assistance through the CARES Act and a modest rebound in the Village's economically sensitive revenues in the late 3rd quarter and 4th quarter, resulted in the Village general fund fund balance to actually increase \$1,254,000 in 2020. Continuing into 2021, the Village continued its prudent policies in spending. Coupled with higher than anticipated intergovernmental revenues, the Village's general fund is projected to increase another \$758,000 to \$6,838,678.
- Overall projected 2022 revenues for the Village for all funds are approximately \$5,048,000 greater than budgeted in 2021 with the General Fund projected to receive \$812,000 more than budgeted. In 2021. Most of the overall increase is attributable to capital grant dollars from the state to fund capital improvements. The Village's has budgeted appropriate matching funds.

- The overall 12-month expenditure budget for all funds totals \$36,918,859 with the General operating fund totaling \$13,911,848, a modest \$9,888 increase over 2021's budgeted expenditures.
- The positive annual trend of the Village in maintaining its percentage of expenditures to the general fund's fund balance has continued. The current projections are that the December 31, 2021 percentage will be 53% and the December 31, 2022 percentage will be 49%. Rating agencies recommend that general purpose governments maintain at least 20% or greater. The Village has minimally maintained that measurement to no less than 39.2% for the past five (5) years. For 2022, the General fund is projected to expend \$2,710 less in expenses than in revenues. However, several unknowns still exist going into the 2022 fiscal year including mid-year contract renewals for the Village's consolidated dispatch services with NORCOMM which may be greater than the percentage increase that the staff has assumed.

Revenues

The Village's General fund operating revenues are derived from a variety of sources. The summary chart below indicates the following estimated amounts and the percentage of the total estimated resources:

General Fund Revenue Categories

Property Taxes	\$ 6,285,000	45.2%
Sales Taxes	2,205,000	15.8%
Income/Utility/Other Taxes	1,980,000	14.2%
Licenses, Permits	685,565	4.9%
Fines & Forfeitures	304,000	2.2%
Grants	245,000	1.8%
Investment Income	15,000	0.1%
Charges for Services	1,675,100	12.0%
Miscellaneous	519,893	3.7%
 TOTAL	 <u>\$ 13,914,558</u>	

Property Taxes are annually levied and require approval by the Village Board of Trustees at the end of each calendar year. The funds levied are then collected by the Cook County Treasurer and distributed to each government twice a year in March/April and August/September. After discussion and public input, the Village Board approved an overall increase in the 2021 levy collected in 2022 of 3.00%. That results in an additional net amount to the various levy funds of approximately \$213,000 in property taxes. However, because the Village issued new capital debt of \$11 million in 2021, the general fund will actually receive \$245,000 less in property taxes for the 2022 fiscal year. That is due to a higher allocation of property taxes now being devoted to future debt repayment.

Sales Taxes are the taxes collected by the Illinois Department of Revenue and constitute a monthly distribution from both the 1% municipal sales tax levied on all sales as well as the additional 2% home-rule option sales tax that is levied on most retail sales except vehicles and most food and drugs.

State Income Tax is a portion of the amount of income taxes collected by the Illinois Department of Revenue that it distributes to local municipal governments. The proportional distribution of these funds is based upon the certified population census of each government.

Utility Taxes are consumption taxes collected by the utilities (Commonwealth Edison; NICOR and the telecommunication companies such as AT&T, Verizon; Sprint, etc.) and remitted to the Village as part of their franchise agreement to utilize easements to deliver their services to the residents of the Village.

Other Taxes include miscellaneous taxes assessed including the personal property replacement tax and the locally collected hotel/motel tax.

Licenses, Permits and Fees is a broad revenue category that accounts for items including vehicle sticker sales; cable television franchise fees and building and related construction permit fees.

Fines and Forfeitures accounts for the revenues the Village receives from various fines imposed for court fines and tickets. It also accounts for the late penalties imposed on late payments for sanitation services.

Grants accounts for any revenues received from the Cook County Community Development Grant Program that would be utilized for general government purposes and other specialized grants such as the state issued DUI Grant that funds overtime reimbursement to the Village's Police Department for enforcement activities. American Recovery Plan (ARPA) funds that have been received in 2021, as well as the expected funds in 2022, are reflected as revenue in the water fund.

Charges for Services is a rather broad revenue category that includes fees generated from inspectional services in the Building Department; the charges assessed by the Village for Waste Hauling services; charges for ambulance and outside detail services and finally, recreational fees for the variety of activities administered by the Village's Recreation Department.

Miscellaneous is the category to account for a variety of revenues received that do not fall into a particular category. Included are revenues received from the State for highway maintenance reimbursement and the revenues derived from the municipal share of state video gaming taxes.

Other Fund Revenues

Property Taxes for the Police Pension Fund are utilized to pay the employer contribution to the pension fund. Additionally, a portion of the tax levy is for payments on the debt service of the 2017B Working Cash Bonds recorded in the Debt Service Fund and 2021A Capital Improvement Bonds, recorded in the Capital Improvement Fund.

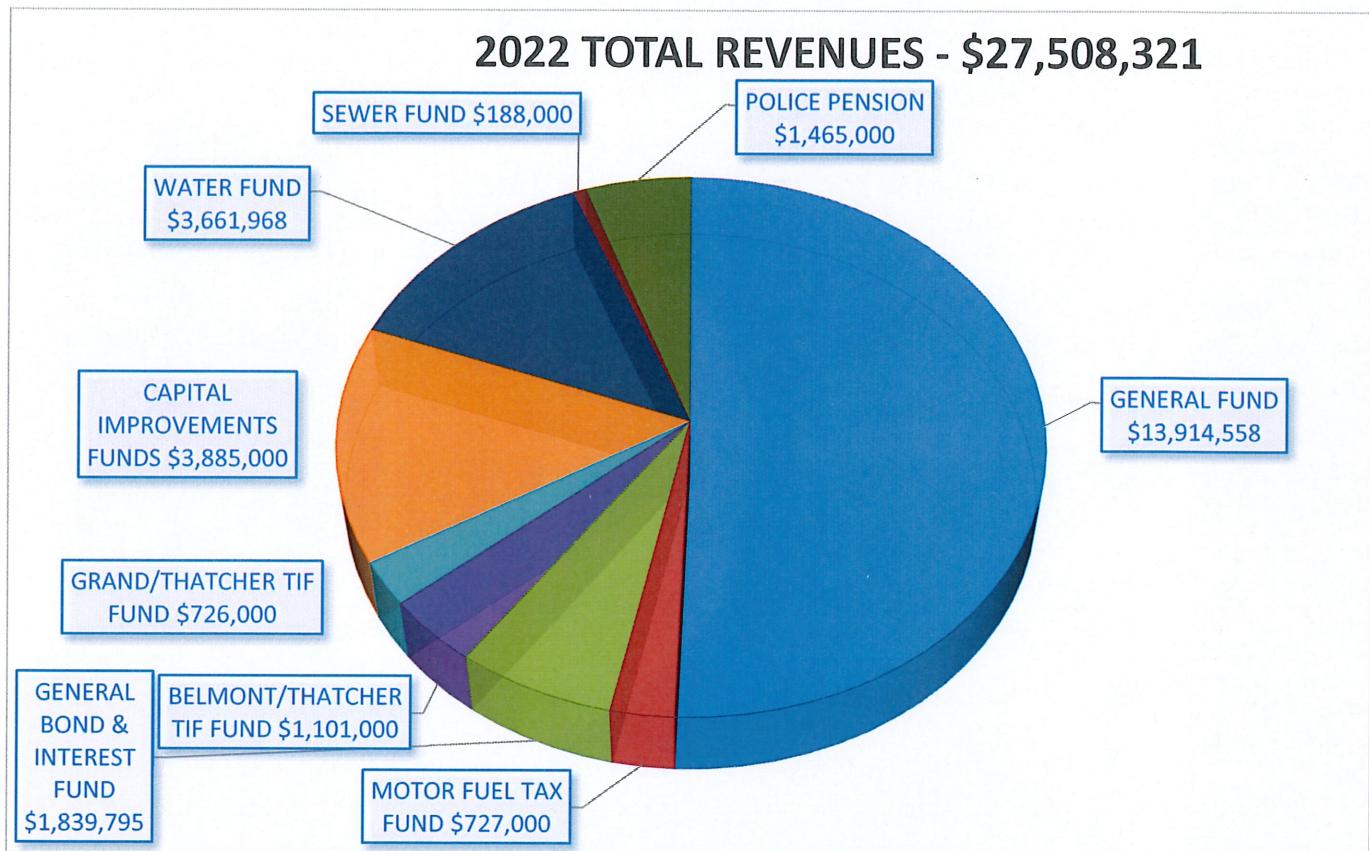

Motor Fuel Tax is a state collected tax on motor fuel and a portion of the amount collected is remitted monthly to each municipal local government in the state based upon population. One will note that generally, as more vehicles go electric or become more fuel-efficient, the amount received on a per-capita basis from this tax has consistently dropped annually. Additionally, Rebuild Illinois funds earmarked for roadway improvements are also recorded in this fund.

Tax Increment are the property taxes received from TIF Districts that have seen tax growth over and above the equalized assessed value of the district at the time the district was created by ordinance. The increment can only be used for projects or related debt within the boundary of the TIF area and have a maximum life of 23 years.

Water Sales are the revenues received from the retail sale of water to the residents and businesses located within the Village. Revenues generated are to both offset the cost of the price the Village pays for water from the City of Chicago as well as for the ongoing operational costs for the water system including personnel services, power and maintenance of the transmission system for delivery to the customers.

Sewer Charges are the revenues received from the water customer that is based upon the consumption of water used each month. The funds are used to offset the costs to maintain the sewer transmission lines that transport the waste to the interceptor sewers of the Metropolitan Water Reclamation District (MWRD).

The following chart provides a graphical view of the total revenues budgeted for 2022:

Expenditures

GENERAL FUND

The General Operating Fund reflects the most revenues and related expenditures of the Village and accounts for governmental activities that residents generally expect from their government including Public Safety, most of Public Works, Building and Health Code Enforcement Services and general governmental administration including the Village President and Board of Trustees, Village Clerk, Legal, Finance and Informational Technology services. In River Grove, recreation, cable television and the costs associated with waste hauling services are also accounted for as well. The fund will account for 50.2% of the total budget for 2022.

The departmental expenditures are categorized by function and comprise the spending plan. The departmental budget requests and the percent of their request to the total General fund budget request of \$13,911,848 follows:

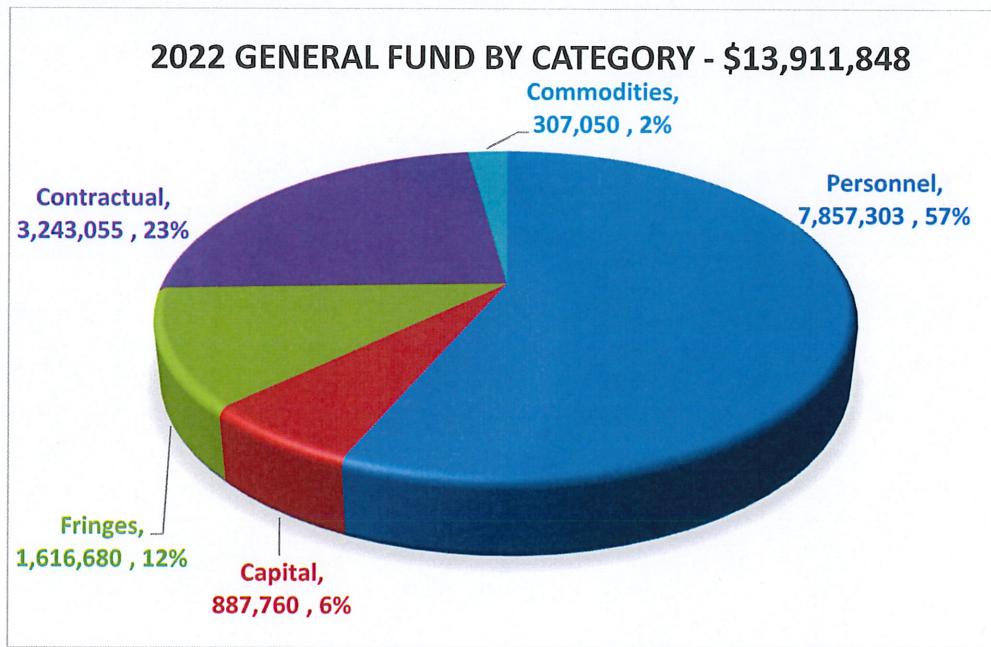

General Fund Departmental Expenditures

Fire	\$ 1,947,876	32.8%
Police	5,888,004	99.2%
Public Works	2,789,797	47.0%
General Administration	2,452,540	41.3%
Code and Health Enforcement	534,106	9.0%
Culture and Recreation	299,525	5.0%
	<u>\$ 13,911,848</u>	

Personnel Services (including pension/FICA/Medicare and health/life insurance contributions) total over \$9,473,983 or 68.1% of the proposed 2022 general fund budget with contractual services, commodities and capital expenditures comprising the balance.

Function	2022 Summary By Category					
	Personnel	Fringe Benefits	Contractual	Commodities	Capital	Total
FIRE	\$ 1,324,071	\$ 214,250	\$ 153,235	\$ 26,350	\$ 229,970	\$ 1,947,876
POLICE	4,734,876	704,425	314,785	23,550	110,368	5,888,004
HEALTH	16,925	1,295	10,300	-	-	28,520
PUBLIC WORKS	678,926	262,535	1,235,800	210,500	402,036	2,789,797
GENERAL GOVERNMENT	740,210	287,350	1,276,485	37,950	110,545	2,452,540
CODE ENFORCEMENT	296,295	119,750	53,000	1,700	34,841	505,586
CULTURE & RECREATION	66,000	27,075	199,450	7,000	-	299,525
TOTAL GENERAL FUND	<u>\$ 7,857,303</u>	<u>\$ 1,616,680</u>	<u>\$ 3,243,055</u>	<u>\$ 307,050</u>	<u>\$ 887,760</u>	<u>\$ 13,911,848</u>

To summarize the 2022 general fund, the expenditures being proposed, as compared to the year ending on December 31, 2021, reflects the Village's improved ability in replacing rolling stock and funding building, street and alley improvements. The budget also addresses the Village's ongoing efforts in improving its social and media presence by its commitment to added information technology infrastructure and web presence that began in 2019 and continue to this day.

The following provides a departmental/fund summary of 2022 budget highlights:

GENERAL FUND

FIRE: Personnel Services:

- **Hourly Rate Adjustment** - The Department and Human Resources have experienced difficulties in recruiting part-time fire and EMT personnel for the department. The common thread most heard is that the hourly rate the Village has been offering is below market. Chief Flynn has surveyed and determined that for the Village to compete for experienced personnel, the Village will need to adjust its hourly rate to a minimum of \$22.00/hour from its current rate of \$19.60/hour. Officers in charge would receive \$24.00/hour. Total additional cost for these adjustments for 2022 are estimated at \$151,000 and have been incorporated into the proposed budget.
- **Fire Inspector** – With the recent resignation of the Building/Fire Inspector, Chief Flynn is requesting that a part-time position for Fire Inspector be authorized in 2022 who would assist the department in its required inspections on as-needed basis. An amount of up to \$20,000 has been included.

Capital and Equipment Requirements:

Municipal Lease Purchases

- **SCBA Air Packs & Compressor** – See Appendix for written justification – Propose 5-year Lease
- **Command SUV** - See Appendix for written Justification – Propose 3-Year Lease

Non-Lease Purchases

- **EQL Laptops** – 2 @ \$6,000 – See Appendix for written justification
- **Replacement Turnout Gear** - \$55,000 – 10 sets @ \$5,500 each

POLICE:

Personnel Services:

- **Additional Personnel** - The Department is requesting 2 additional full-time police officers. This would result in a total of 28 sworn officers for the department. An Additional \$158,479 is currently included in the 2022 budget assuming start dates of 4/1/2022.

Capital and Equipment Requirements:

Municipal Lease Purchases

- **2 Marked and 1 Unmarked Squad Replacements** – Proposed 3-year Lease

Non-Lease Purchases

- **2 Mobile Laptops and PEP Wave Antennas** - \$7,500
- **Other Equipment** – Cumulative total of \$20,500 including Office furniture; ammunition cabinets; and protective vests

PUBLIC WORKS:

Personnel Services:

- Due to the fact that all department laborers are tasked to repair water and sewer main issues, the 2022 budget now distributes 15% of all salary and benefits of these personnel in the department to the Water Fund with the balance of 85% remaining in the general fund.

Capital and Equipment Requirements:

Municipal Lease Purchases

- **Bucket Truck** – Propose 7-year Lease
- **1-Ton Dump Truck** – Proposed 7-Year Lease
- **1 Pick-Up Truck** – Proposed 3 Year Lease

Non-Lease Purchases

- **1 Riding Mower** - \$11,000
- **Skid Steer Auger** - \$4,000
- **1 Light Tower** - \$10,000
- **Miscellaneous Tools** - \$5,000
- **Event Equipment/Replacements** - \$6,000

MUNICIPAL OFFICIALS:

Contractual Services:

- **Additional Consulting** - \$10,000 for Joint Village/Library Needs Assessment for Library/Recreation Center

INFORMATION TECHNOLOGY:

Capital Outlay:

- **Computer Replacement Program** - \$45,000 for Scheduled Replacement of various PC's; laptops; printers' monitors, etc. – See Attached Schedule

GENERAL/ADMINISTRATION

Personnel Services:

- Due to the police FOP collective bargaining agreement now reflecting salary adjustments for police personnel to be effective on January 1st of each year, staff is recommending that the remaining full-time personnel on the other departments also fall into this new scheduled. A line-item of \$80,000 is included in this departmental budget to provide merit adjustments for remaining Village personnel.

Contractual Services:

- A 5% increase in the MICA insurance premium is assumed for 2022 effective on May 1, 2022. 85% of that cost is in the General fund with the balance budgeted in the Water fund. There has been an indication from MICA's brokers, MARCH, that cyber-security coverage will be an issue for next renewal. George Boothe is already working with MICA to ensure that the recommended operational practices that will be required by the insurers are in place for River Grove.

BUILDING CODE ENFORCEMENT:

Personnel Services:

- Mayor Guerin and Trustee Bjorvik have been discussing alternative organizational makeups for the department going forward into 2022.

RECREATION:

Personnel Services:

- Several changes are proposed for Recreation in 2022 including adding a part-time position of Youth Sports Director. This position will solely coordinate the makeup of the various sports leagues that the department manages over the course of the year. This position is budgeted for up to \$20,000.

Contractual Services:

- A new expense is proposed in 2022 for the funding of Tournament Softball teams. Costs include the purchase of uniforms and equipment.
- Funding for the WSSRA is again included in the 2022 budget. Staff had had ongoing discussions with the WSSRA and as of now, is not satisfied with the methodology of ensuring that the taxpayers of the Village who are also in the Veteran's Park District are not unfairly treated, even minimally, of paying taxes to two entities that are funding the same service.

HISTORICAL SOCIETY:

Contractual Services:

- A recent review of the physical condition of the Historical House and barn indicates some badly needed repairs will be necessary in the coming years. The 2022 budget includes up to \$22,000 in repairs and restoration to such items as the roof, siding, electrical and windows.

MOTOR FUEL TAX FUND

Capital Outlay:

- Two major improvements, besides the normal costs of salt purchases; reimbursements for contractual services by the Village for snow removal and street sweeping and maintenance, are the following:
 - Palmer & West resurfacing – \$685,300 for construction and an estimated remaining \$65,000 in engineering fees.
 - Grand Ave Curb & Gutter - \$90,000. Replacement of anticipated 2023 street resurfacing project.

GENERAL OBLIGATION BOND DEBT SERVICE FUND

Debt Service:

- \$2,101,986 – With the additional amount of debt that was issued by the Village for the Street/Alley improvements as well as having to pay the remaining debt service for 2022 for the 2012 bonds prior to their call in 2023, the fund's budget for debt repayment has increased from a 2021 amount of \$1,441,825 to \$2,101,986. Future year budgets will not include debt service for the 2012 refunded bonds.

BELMONT THATCHER TIF FUND

Capital Outlay:

- Three (3) improvements are planned for 2022:
 - Village corridor entrance sign at the S.E. corner of Thatcher & Belmont Avenues - \$130,000.
 - Thatcher Woods Lift Station Replacements – \$302,500.
 - Water Pumping Station Improvements - \$300,000.

GRAND THATCHER TIF FUND

Contractual Services:

- Demolition-related engineering costs for three (3) improvements are planned for 2022:
 - Marmor property demolition – \$56,250.
 - Marwood Street properties demolitions (2) - \$69,000

Capital Outlay:

- The following are planned for 2022:
 - Potential acquisition of property on Budd Street - \$199,000 Thatcher
 - Parking Lot Construction of Marmor and Marwood Properties - \$835,000.

CAPITAL IMPROVEMENT FUND

Contractual Services:

- Construction-Related engineering costs for planned street and alley improvements. Funding from 2021 Bond proceeds and the State DCOE Roadway Program will be utilized.
 - Street/Alley design and construction Engineering – \$850,000.
 - DCOE Roadway Program - \$463,200

Capital Outlay:

- Two (2) planned improvements are planned for 2022:
 - Street/Alley construction – \$6,300,000.
 - DCOE Roadway Program - \$3,088,000.

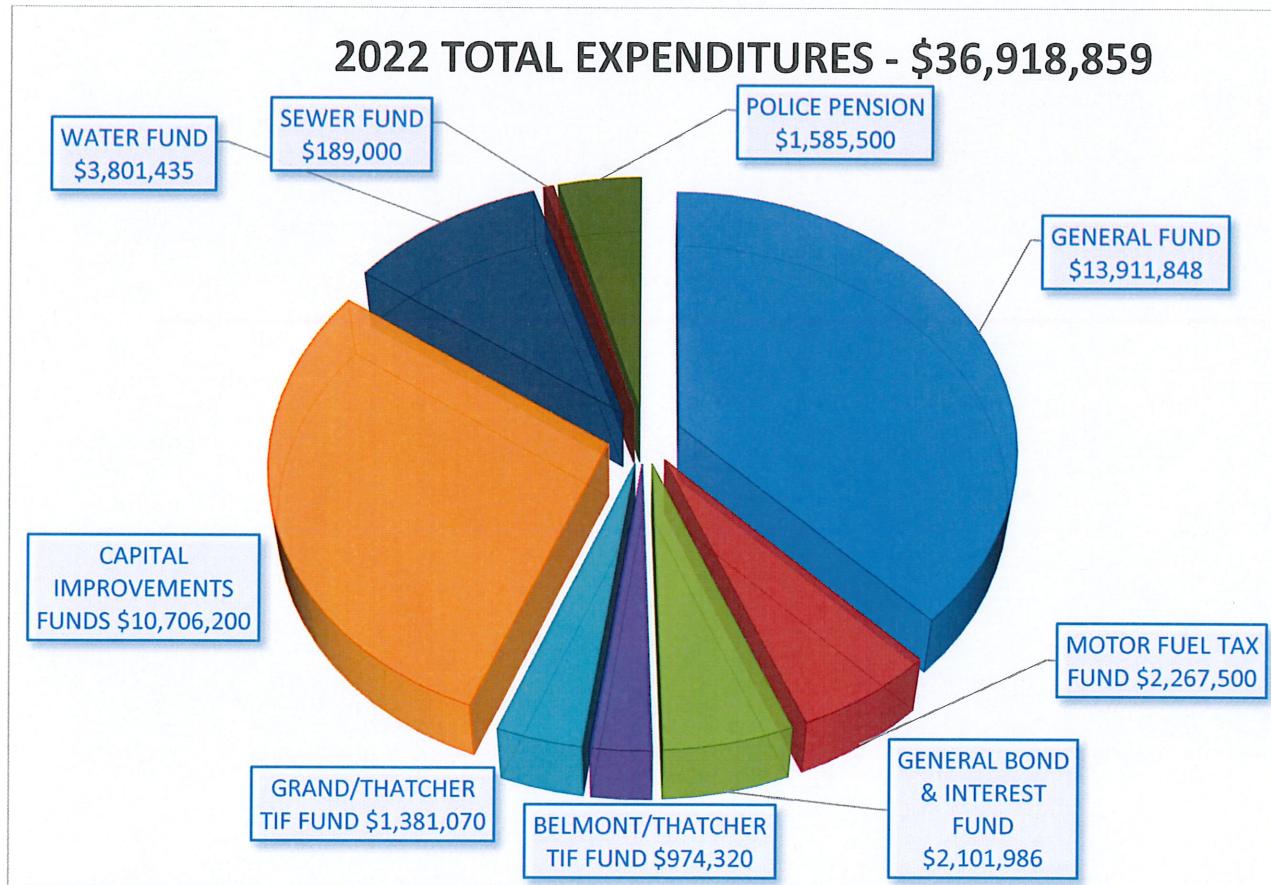

WATER FUND

Personnel Services:

As noted previously for the Public Works department, the Water budget also assumes adding a 15% sharing of public works laborers' salary and benefits to the water fund.

Capital Improvements: A total of \$977,000 has been earmarked for water system improvements in 2022.

- Lining of water main river crossings – \$230,000.
- Water Main replacement – River Road – WM Tracks to Belmont - \$747,000.

POLICE PENSION

The Village's Police Pension fund is a statutorily required trust fund that is budgeted by the Village but managed by a separate board of trustees comprised of two active police officers, one retired police officer and two mayoral appointed citizens. The board of trustees conducts the business of the fund; determine pensions for retirees and recommends the annual tax levy necessary to fund future benefits to the Village Board of Trustees. As with most pension funds throughout the state, a variety of factors have resulted in most pension funds experiencing significant funding issues resulting in concerns of their financial capacity to make future pension obligations. The Village continues to monitor and has responded in recent years to reverse that downward funding trend and will continue to address those concerns in future budget discussions.

Also, a significant development that occurred in 2020 was the passage of a consolidated pension investment bill by the state legislature. The result is that within the next few years, most funds of every Article 3 and 5 Downstate Police and Fire Pension Fund, will be required to transfer a

majority of its financial assets to a consolidated fund managed by a state board of trustees. Though the assets will still be owned by each fund, the goal of the legislation is to provide and overall higher return on investment with the consolidated fund than what each individual fund could have earned. With this higher yield, the goal of the legislation is to have more funds available for future benefits allowing for a reduced reliance on the municipal property tax of each community.

CONCLUSION

I am very pleased that I and the finance staff have had the opportunity to assemble this budget for the Village of River Grove for fiscal 2022. I believe that the Village Board of Trustees have aggressively addressed the Village's needs and will continue to do so in the years to come. By doing so, they will ensure that the village continues to be a welcoming place for citizens and businesses alike.

I want to take this opportunity to extend my appreciation to David Guerin, Village President and Michele Obaya, Finance Chair, as well as to the rest of the Board of Trustees for their advice and assistance in the development of this budget. I would also like to extend special thanks to Janet Matthys, Finance Manager, as well as to the other personnel of finance and front office staff and to the department heads and employees of the Village who make the team effort to make this community a great place to live and work.

Sincerely,

Gregory J Peters

Capital Expenditure Projection's 2022

Submitted: November 2021

Air packs, 2022 Request: SCBA's (Air Packs) & Masks,

Our current compliment of SCBA's are now 11 years old; well past the recommended life cycle of 5 years. Even more critical is the fact that the manufacturer has suspended technical and mechanical support for these units; meaning failures and subsequent repairs cannot be addressed. It is recommended that all SCBA units, spare bottles and masks be purchased together. Frequent technological up-grades can create compatibility issues with different generation units; making incremental replacement very impractical. Additionally, this purchase should include a new compressor needed to refill air tanks. Our current compressor is also 11 years old and has needed frequent repairs and /or upgrades in the last several years. Self-contained breathing apparatus (SCBA) is regulated by NFPA standards and must meet stringent performance criterion. RGFD is required to have 15 complete units or 1 unit for every riding position on both front-line and back-up vehicles, and 3 spares. Each unit cost/w bottles are **\$10,000**. Our recommended approach is to allocate the cost of 3 each year to satisfy and complete a 5-year replacement of our entire inventory.

Cost: \$200,000 (15 units-30 bottles-60 masks-1 compressor)

River Grove Fire Department
2601 Thatcher Ave, River Grove, Illinois 60171
Fire Chief Sean M. Flynn

708-716-5033 Office

708-453-8154 Fax

sflynn@rivergroveil.gov

Structural Firefighting Turn-out Gear,

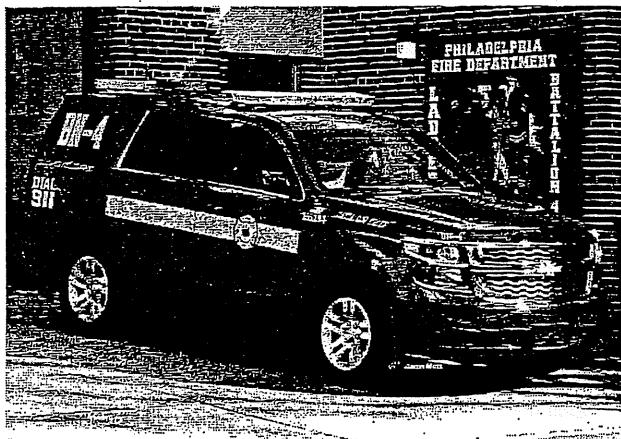

NFPA mandates replacement of turn-out gear every 10 years. Through the establishment a replacement cycle of 6 sets every year we can defray the cost of the needed 60 sets over the course of 10 years. Each set costs about **\$5,500**. This needs to be started as soon as possible. We did purchase 0000 # sets in 2021 so we will need 0000# sets in 2022.

Cost: \$55,000 (10 sets) helmet to boots

SUV,

We should replace every **10 years**, we will need to get on a reciprocal replacement program similar to PD. Currently have a 2003 and 2009 SUV.

Cost: \$45,000

2022 Budget Justifications: Fire Department

20-421.2-Fire Inspector: Eliminate

20-512-Equipment Maintenance: Combine 512 with 512.1 and 3

20-520-Maintenance of Radios: We will need batteries we are asking for an increase of +\$400 to **\$500**

20-552-Comm Expense: \$

20-651-Office Supplies: We are requesting a decrease in this line item -400 to **\$1000**

20-654-Sanitation Supplies: We are requesting an increase in this line item +800 to **\$3000**

20-566.1-Membership Fees: Needed for multiple required Fire Service Memberships. We request a price increase to **\$**

20-660-Medical Supplies: We are requesting an increase in this line item normal price increases of 5% to **\$3,806.25**

20-830-New equipment: \$

20-870-Purchase of Computers: \$

20-870.1-Computer Software: \$

20-930-Ambulance Billing: We are requesting an increase in this line item to **\$**

Salaries:

Proposed daily shift and administrative payroll calculations:

Note: All shift work calculations are based **8760** hours per year per position.

Fire department administrative work loads must keep pace with the village's increasingly aggressive pursuit of economic development and expanded high profile public education programs. Duties include ambulance/fire billing, fire prevention inspections, life safety inspections, public education program management, payroll management, EMS administrative work and all other supplemental "off duty" work.

The graph below represents a **\$2.90** an hour raises for Driver/FFs, **\$2.78** an hour raises for the officer position and a **\$2.21** an hour raises for administrative personnel.

Position	Numbers	2021 Hours Worked	2021 Hourly Rate	2021 Yearly Cost	2022 Hours Worked	2022 Hourly Rate	2022 Yearly Cost	Increase	% Increase

Hurst E-Tools Cutter and Ram,

Replace worn & outdated **15-year-old** extrication tools with new tools that are also more efficient and more powerful and keep up with modern auto industry changes. This new technology removes a hydraulic pump and the hose lines that deliver the hydraulic pressure. The new tools are battery-powered and have an internal pump eliminating the cumbersome hoses and pumps. Current devices will struggle to cut contemporary age metals used in the manufacture of automobiles. In addition, new tools are more sustainable and energy-efficient and reduce fossil fuel use.

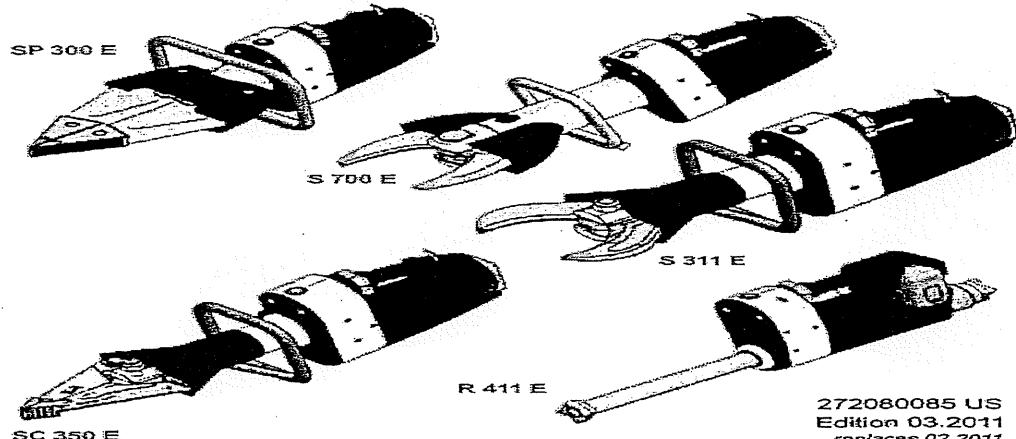

Cost: \$21,000

Operating instructions for rescue equipment

708-453-8154 Fax

sflynn@rivergroveil.gov

SUV,

We should replace every **5 to 7 years**, and we will need to get on a reciprocal replacement program similar to PD. Currently, have a 2003 and 2009 SUV.

Cost: \$45,000

Laptop Computers,

Ambulance Reporting and 9-11 Dispatching is entirely electronic. The engine and the ambulance can't use the same computer for both functions; therefore, they need two (2) computers each. We currently have two (2) new computers and seven (7) old, of course not interchangeable. If we can buy (2) new computers this year and then one (1) new computer every year, we will be on the proper reciprocal replacement cycle to replace the old computers and take them out of circulation. These units are expected to cost approximately \$6,000 per unit.

River Grove Fire Department
2601 Thatcher Ave, River Grove, Illinois 60171
Fire Chief Sean M. Flynn

708-716-5033 Office

708-453-8154 Fax

sflynn@rivergroveil.gov

ITEM(s)	TOTAL COST	5 yr. Replacement Cycle	Cost per unit	Total cost per year
(15) Air Packs Compressor:	\$147,000 \$ 47,000	All 15 packs at one time	\$10,000 per pack	Approximately \$39K a year
TOTAL:	\$194,000			
(60) Turn-out gear	\$330,000	12 sets each year.	\$5,500	\$66,000
(1) SUV**	\$45,000	1	\$45,000	\$9,000
(6) Lap top computers	\$ 36,000	2 unit every year	\$6,000	\$12,000
(1) Ambulance**	\$350,000	1	\$350,000	\$70,000
(1) Engine**	\$450,000	1	\$400,000	\$90,000
TOTAL				\$247,000

The "Yearly Total" line represents the projected annual total needed to fund large expense items over several budget terms. It should also be noted that the pricing offered in this proposal is all estimates based on current markets and may be subject to change.

***NOTE Air packs:** It is recommended that all air packs be purchased at the same time. Frequent upgrades in technology create compatibility issues with different generation units; making replacement in small increments impractical.

****NOTE SUV:** We have a 2003 and a 2009 SUV that will need to get into the reciprocal replacement program sooner than later to avoid higher maintenance fees.

****NOTE Ambulance:** This needs to be purchased every five (5) to seven (7) years.

****NOTE Engine:** This needs to be purchased every ten (10) years. The current engine is only two (2) years old, but the backup is twenty-one (21) years old. Unfortunately, the backup engine will not make it many more years, so we need to purchase a new machine sooner than later. The next new engine purchase will have extrication tools worked into the price.

POLICE DEPARTMENT

2022 Police Budget Request

NEW ITEMS:

Annual EST member fee will be \$2000.00 every year after the start-up cost.

We are still waiting on the implementation of this system - Quicket RMS (report management system). We are currently using CIS RMS, a system which the village paid up-front for 5 years of service. I am proposing that we move to a Quicket RMS which will tie in to our e-traffic citation, e-accident and adjudication programs. The current Quicket programs have proven to be very useful and helpful in the PD and the adjudication and e-pay portions of the system are helpful with local ordinance court efficiency. If we move to the Quicket RMS, there is a conversation to be had about a retroactive refund from Government Capital for the unused time left, in the CIS/NORCOMM agreement, for the CIS RMS. The first year Quicket subscription and integration costs

\$35,000.00 (2021 budget)

Two additional full-time police officer – which would put us at 28 full-time officers.

21-840 - 1) unmarked administrative SUV's to add to the fleet for the DC. \$35,375.00, plus \$7,500.00 to add police equipment and radio. Purchase not to exceed \$43,000.00

21-840 - 2) SUV marked squad for patrol. \$33,745.00 per squad, \$11,000.00 to outfit the squad car with a prisoner barrier/lights/siren/gun rack/push bar, etc, and \$1,500.00 to skin each squad

Purchase and outfit for each squad \$ 46,500.00
Total Purchase not to exceed \$93,000.00

01-21-563.3 Lexipol Services training expense. \$8,000.00

01-21-563.1 Firearm Ammunition and range cost \$10,500.00

01-22-427.1 Aux/PT officer uniform expenses \$2,500.00

Aux/PT officers supply/training includes PT academy training \$10,000.00

01-21-911 National Night Out 2020 approved expenditure \$3,500.00

Funds for one time stipend for retiring officers \$24,000.00

New equipment purchase request:

21- 520 - 20 new Motorola XPR7550 portable police radios to rotate out old/obsolete HT1000 radios and Motorola MT1500 radios used by the aux. and part-time officers. \$ 24,000.00

21-520 – 2 new Motorola XPR550e VHF IN CAR radios \$ 2,000.00

21-830.1 – training Taser cartridges and actual Taser cartridges \$ 4,500.00

21-830.1 - Evidence supplies (Dave Stam evidence kit and Patrick O'Connor) \$ 4,000.00

New line items / equipment:

Police testing for new recruits.	Should be based on previous billing
Hosting NEMRT Training / WESTAF call out (coffee, donuts, etc.)	\$ 1000.00
Crossing Guard Supplies	\$1,000.00
2 AMMO Cabinets	\$2,548.00 plus shipping
Front Line Management software	\$1,500.00
10 new office chairs	\$3,000.00
Storage cabinets and containers	\$1,200.00
Update to front lobby and detective office	

CURRENT LINE ITEMS:	Budget Request
21-520 Radio Maintenance/Equip Purchase	\$7,000.00
21-563 Training Expense	\$20,000.00
