

Earn the Title Young Marines

Chicago's Own Young Marines is a nonprofit youth organization for boys and girls 8 – 18. We are located in River Grove Illinois and meet every 2nd and 4th Saturday, year-around. We focus on leadership, citizenship through community service, self-discipline, and living a healthy, drug-free life style.

Leadership

The Young Marines focus on leadership with an emphasis on Young Marines leading other youth members. Leadership schools abound, producing youth with confidence, judgment, and initiative. Each youth member takes leadership lessons onward toward maturity and adulthood.

Honoring Veterans

The Young Marines' work with America's veterans is unsurpassed by any other youth organization. The goal is to preserve the legacy of veterans through education and patriotic volunteerism.

Summer Programs

During the summer months, Young Marines receive instruction in a variety of areas such as wilderness training, sailing, scuba, aviation, history, science, leadership and team-building.

Closing the Gate on Drugs

The Young Marines "Closing the Gate on Drugs" initiative focuses on drug demand reduction by raising awareness of common gateway drugs: tobacco, alcohol, inhalants, prescription drugs, and marijuana. Older Young Marines learn public speaking, so they can take the message into classrooms and their communities.
