September 5, 2023

Good Day,

Now that all of our area schools are back in session, the River Grove Police Department would like to remind residents that the safety of students, parents, faculty, and staff are our highest priority.

Nearly 2000 students attend schools located in the Village of River Grove. Knowing this, we urge parents and residents to be patient when dropping off or picking up students at their respective schools. All schools in River Grove have worked with the River Grove Police Department to develop arrival and dismissal procedures. While some of these procedures are slow and congested, the focus of the procedures emphasize safety first. We ask residents to slow down, follow all posted street signs, and please be patient. The River Grove Department will be enforcing parking restrictions, local ordinance violations, and the Illinois Vehicle Code around the schools, and throughout town.

If you have any questions, comments, or concerns please contact the River Grove Police Department.
